

Bear Claimed: Shifter / BBW Mail Order Bride Romance

Harper Kenzie is curvy, beautiful, intelligent, and very unlucky. She was just let go from her job on the anniversary of her second divorce. Now nothing seems to be going her way. She just wants to give up and prepare for the inevitability of being alone for the rest of her life, but her best friend Andra decides to take another route altogether. Without her permission, Andra enrolls Harper in a unique sort of service that specializes in finding mates for wealthy shifters. Will she try something new and give true love another chance? Emmett Black has almost everything a guy could ask for. He's successful, good looking, and is loved by everyone. He's even about to receive a special award for years of hard work and dedication. It seems that things are going his way. But why does the one thing he really wants seem so far away? He's been in the LSM database for over 2 months and nothing has come of it. Emmett is thinking about throwing in the towel when he gets the phone call of a lifetime. Have they truly found his mate, or is there some kind of mistake? Follow Emmett and Harper as they embark on a journey to find true happiness and everlasting love. Bear Claimed is a standalone story with an HEA and ZERO cliffhangers!
