

Zoey And The Nice Guy (Big Girl Panties Book 1)

For Zoey Odell, the definition of family is her two best friends, Maya and Addy. So when Maya makes the decision to leave her abusive husband, Zoey is only too happy to lavish her with support and a temporary home. Unfortunately, taking in her best friend also means seeing more of that no good do-gooder, Kellen Bradley. For Kellen, the definition of family has just been shattered. After finding out that his brother is an abusive monster, he can't help but question himself and his parents. The one thing he knows for certain is that hell or high water, he will go head-to-head with Zoey Odell. Zoey has no intention of letting him in, but Kellen is done taking her crap. Life has just gotten real and he's more than ready to shed his nice-guy image. When he finally stands up to her, Zoey starts seeing him in a new light. As the attraction turns mutual, she finds it more and more difficult to hide behind her carefully formed walls. And Kellen is finding himself more and more driven to tear those walls down.
