

Claimed: Possessed by the Vampire - Book 1 (Possessed by the Vampire by J.E. & M. Keep)

In a never ending life, one must go to much higher extremes to feel alive. Anjasa is hundreds of years old, and though shes still beautiful and cunning, shes tiring of the routine. Her life takes a terrifying -- yet thrilling -- turn when shes kidnapped by a noble, and finds herself relying on the dark stranger who promises her his aid. Neither the noble, nor the dark stranger, are what they seem. Certainly theyre not human. But vampires? Even the long-lived Anjasa believed them to be only myth. Can she survive the night, trapped in the manor between the two blood-sucking fiends?
