

Control You (Coldcreek Novel) (Volume 2)

Kind hearted and naive, Paige Jacobs wants what every girl craves to be loved. She uses this need to make excuses when her current boyfriend goes from being a tad jealous and slightly overprotective to stalker-ish. She isn't that girl and Craig isn't one of those guys. Things are fine. Perfectly fine. Until the moment a dark-haired, tattooed hottie with a snarky mouth walks into her life and tells her she deserves better. Confident and boldly spoken, Cameron Green has always been the guy bad girls can't get enough of and all the good girls want to tame. He's lived a lavish lifestyle filled with drugs, women, and alcohol up until his destructive path finally caught up with him. Now Cameron isn't sure what to do with himself or how to dampen the longing for something more festering inside of him since coming out of his drug-induced haze. But when he meets a doe-eyed girl who gets past his walls like no other, everything about him clicks into place. Together the two learn there are emotions that hold within them all the power to control you
