

## Spin (Songs of Corruption) (Volume 1)

From USA Today bestselling author - CD Reiss, the story of Theresa Drazen and mafia capo, Antonio Spinelli.\*\*\*He blew through my orderly life like a cyclone. Gorgeous and passionate, with a breathtaking brutality, he put me under his spell the moment he touched me, drawing me into his underworld of risk, violence and betrayal. And I found, just as this sophisticated savage didnt trust me, I didnt trust myself. Something happened to me. Some alchemy from the heat between us. I discovered I was a savage, too.\*\*\* You do not need to read Songs of Submission to read Songs of Corruption.
