

## Commanding Her Trust (Under His Command) (Volume 2)

Warning: This book features a Dominant alpha man who will push your boundaries until you beg for more. Read at your own risk. Blake Roberts is falling hard for his old flame and wont stop until Erin is his. He doesnt simply want her body; he wants her submission, her abandon, and the wounded heart shes trying so hard to hide. He wants all of her and hes pulling out all the stops in the bedroom and out until she surrenders. For Erin, what started as a charade has become all too real. Shes never experienced anything like the savage bliss shes discovered in Blakes arms. He tests her, dominates her, and if she doesnt gain her freedom, soon hell own her body and soul. She has to escape even if running from Blake feels like running from the only home shes ever known. Cliffhanger Alert: This steamy read ends in a cliffhanger. If you dont like being teased, steer clear. The entire UNDER HIS COMMAND series, Erin and Blakes complete love story, will publish in February and March of 2015.
