

## Vintage Ocean Liners Posters and Postcards CD-ROM and Book (Dover Electronic Clip Art)

From the heyday of steamship travel come these postcards and posters of majestic ocean liners. Dating chiefly from the early 20th century, the 168 full-color images feature such well-known ships as the Queen Mary and the Normandie, along with an array of other international luxury liners. These dramatic and graceful illustrations, selected from rare archival sources, will add an air of timeless elegance to any graphics project.
