

## Contramedida (Volume 1) (Spanish Edition)

En la primera novela de la SERIE CONTRAMEDIDA, la tenaz ex agente de la CIA, Cassandra James, se encuentra metida en un gran lío. Un ladrón cibernético ha robado información confidencial del principal cliente de su padre información que ella debía salvaguardar y ahora podría perder su trabajo, incluso si es la hija del jefe. La única persona que puede ayudarla a recuperar los datos robados es el sexy analista de la NSA, Trevor Bauer un genio de los ordenadores que se ha abierto paso a través de su seguridad personal y que podría también abrirse paso hasta su corazón. Trevor está buscando respuestas al misterio que rodea la desaparición de sus padres. A raíz de una pista prometedora en los archivos sustraídos de Bristol, accidentalmente se cruza en el camino de una mujer demasiado complicada con la que tratar... y un mercenario dispuesto a hacer cualquier cosa para impedir que ambos recuperen esos archivos. Para localizar al ladrón, Trevor y Cassandra deben embarcarse en una desgarradora aventura que les lleve al otro lado del océano a un mundo de intriga, peligro y pasión. Pero al acercarse a su objetivo, su relación comenzará a hervir, poniendo en peligro su misión, así como sus propias vidas. ¿Aprenderán a confiar en sus instintos y entre sí con tal de sobrevivir?
