

Beyond Innocence (Volume 6)

Book Six in the bestselling, award-winning BEYOND series. She's never been touched...Lili Fleming walked out of Sector Five with a gun, the bloodstained clothes on her back, and an icy determination to survive. She finds herself in a world where people live hard and love harder, and nothings more terrifying than how much the OKanes wake her up, make her feel--especially Jared.Hes never been loved...For years, Jared has existed on the fringes of both Eden society and Dallas OKanes Sector Four gang. He travels between these worlds, protected by his money and power--money he earned selling his body, and power that comes from knowing secrets. Hes untouchable--until he starts a new life gathering intelligence for the OKanes. Emotion is a risk he cant afford, and a complication she doesnt need. But neither can resist the lust simmering between them, and the sparks that could either melt the ice around both their hearts...or get them killed. Because the only thing more dangerous than loving an OKane is loving a spy.
