

Cop (The Police Trilogy Book 2)

Cop is the second part of the steamy Police erotic romance trilogy. Internal Affairs cop Eve Knight is about to embark on a sting operation that is below the radar and off the books. It's her last chance in the department, and she's taking a big risk to do it. Even riskier is navigating her growing feelings for the man she has tasked with being her mole. Detective Brandon Goodheart, also attempting to ignore his burgeoning attraction to Eve, must risk his life to infiltrate the notorious Strike Team, and its charismatic but corrupt leader Conrad Duff. He's walking a fine line between lust and danger. Knight and Goodheart come together in an alliance full of suspense, action, adventure, and erotic liaisons that will set your pulse racing.
