A once in a lifetime offer... Peter doesn't mind his job as a telemarketer for LockTite Security Systems, not since Ann left. And he's good at it. Finding the need and filling it--that's his secret to success. He works hard to keep his work and his heart as safe as a LockTite system. But when he starts getting calls from a mysterious woman offering him a one-time gift of the Christmas spirit, nothing is safe anymore. Especially his heart.
