

Create Your Best Life: Unleash Your Charisma and Confidence to Change the World

Do you want more joy? More fulfillment in your life? Don't you think the skill of influencing others would help? Imagine for a moment--clients and co-workers eager to work with you, managers asking for your advice, friends and family cooperating together thanks to you! Learn how to create your personal Best Life thanks to the training Tom Marcoux has been providing for over two decades! At this book's heart lies practical matters of persuasion, leverage and personal strength. The goal? For you to make a difference in the world. Success in your chosen field. The trust of those with whom you work. Closer, more loving relationships. And purpose. These skills aim at achieving all this for you. Make this year the one when you break through. * Create Your Best Life is an uplifting and practical book. You'll learn skills in persuasion, charisma, confidence, influence and emotional strength -- all vital elements to help you positively change the world. To make a dream come true, you'll need to get people enrolled in your vision. This is the book that helps you get great things done! - Dr. JoAnn Dahlkoetter, author of *Your Performing Edge* and coach to CEOs and Olympic Gold Medalists * When you want to get big things done, persuasion skills are crucial. Tom Marcoux shows you how to develop new reflexes and responses so you can become even more influential under stressful situations. As a journalist and publicist, I've observed how some people come across as charismatic and influential, while others fail to get their message across. Tom Marcoux reveals methods that anyone can use to enhance their charisma and influence and make a big, positive difference in this world. - Danek S. Kaus, author of the best-selling *You Can Be Famous: Insider Secrets to Getting Free Publicity* and founder of freepublicityforyou.com * I like author and executive coach Tom Marcoux's distinction

between Hard-Headed Convincing and his effective Soft-Hearted Persuasion. Marcoux's methods of developing confidence help the reader feel stronger and take effective action. - David Barron, co-author of Power Persuasion and founder of newhampshirehypnosis.com
