

Breaking the Tax Code: Americas Leading Tax Professionals Reveal Proven Strategies to Legally Minimize Your Taxes and Keep More of What You Earn

Breaking the Tax Code is a must read for all taxpayers. If you work outside the tax accounting spectrum, chances are you have preconceived notions of the IRS and the Tax Code. Here is a book that will update your knowledge on a wide range of tax topics including tax shelters, divorce implications, tax planning, and how to stay out of trouble with the IRS - all topics that concern every taxpaying individual. As a bonus, its written in a readable format. Breaking the Tax Code guides you, with the advice of leading tax professionals, how to legally plan for and minimize your tax burden while maximizing your cash flow. Whether youre a millionaire or youre just starting to build your nest egg, this book will lead you on the path to greater financial freedom with the turn of every page. These are proven strategies to legally minimize your taxes and help you to keep more of what you earn.
