Get all thee books in the Crookshollow foxes series for a special discounted price! Alexandra Kline has landed her dream job - curating her first art exhibition at the prestigious Halt Institute in the small English village of Crookshollow. But the dream quickly turns into a nightmare when shes forced to work with Ryan Raynard - the arrogant, reclusive artist who refuses to co-operate with her. When Ryans paintings dont show up at the gallery on time, Alex heads out to his crumbling, gothic manor to give him a piece of her mind. Billionaire artist Ryan Raynard hides a dark secret. He is a fox shifter, who shuns the company of humans and hunts alone at night in the forest surrounding his home. But the moment he laid eyes on Alex, he cant help but be drawn to her. He can sense that shes the descendent of a powerful shifter clan, and she is destined to become his mate. If only he was ready to fall in love again ... As Ryan and Alex are drawn together, they realise they are facing bigger problems than Ryans stone-cold heart. Crookshollow is being overrun with a different kind of shifter - ruthless and deadly, these shifters are killing humans indiscriminately for no apparent reason. And they are hot on Alexs scent. Can Ryan keep Alex safe from harm, or will his need for her endanger them both? Reader Note: This novella collection contains scorching sex, adult language, and some serious cliffhanger endings. If you like delicious sex, a hot alpha male fox and one clever, sarcastic heroine, then this series will have you howling for more. Enjoy!
