

Just Another Day in Paradise: Staying Alive Episode 1

In 2009 there was a deadly virus, they thought they had it contained, they thought that they could control it, they thought that it would not turn into something else....THEY were wrong. I was a normal sixteen year old the day it started, but by the end of the day, I would become something that I thought I never would become.... A Survivor of the H1N1 virus.... What the government wanted us to know and what we know now... well youll just have to read my story to find out.....My name is Jena.....
