

Curves For The Billionaire (A Curvy Billionaire Romance)

Chloe is a curvy young woman looking for a change. Not having a plan, she escapes the crowds of New York City and ends up in Elk Mountain, a sleepy little community in northern Montana where she meets the stunning, muscle-bound billionaire, Emerson. After a terrifying incident, Emerson brings her back to his cabin and takes care of her. She instantly falls for him, but his on-again-off-again attitude puts her insecurities on high-alert, and she's afraid her curves are once again getting in the way of something great. But Emerson is in to her voluptuous body, and has been from the moment he met her. The problem is, he's harboring a secret. What is he hiding? And when she finds out, will the kinky truth push her away?
