

## Flirting With Disaster (An Alpha Billionaire Romance)(Book 2) (Flirting With Temptation)

Introducing Flirting With Disaster, book ONE of FIVE in the hot and sexy romance series, The Bosses Baby, by bestselling author Sadie Grey. The young and curvy Michelle isn't the type of girl to lust after a man she's just met, but when she's celebrating her new job, a chance encounter leads her to one hot and sexy night with a mysterious stranger. When she arrives at work the next day, it turns out the sexy stranger is her new boss, Connor Prince. Connor Prince is a man who goes after what he wants. He doesn't take no for an answer, and that's exactly why he's one of the most powerful men in the world. He lives by an unbreakable code, never let anyone get too close. When he encounters Michelle, she pushes his self-control to the limits and makes him want to break that code. But Connor lives by a code for a reason, a devastating reason he's vowed never to tell anyone. But when Michelle discovers his dark secret, it could destroy him. And Michelle could get destroyed right along with him. \*\*This hot and steamy alpha billionaire romance is perfect for fans of Hannah Ford, Lila Monroe, Cassie Cross and J.S. Scott\*\*
