

Motown Throwdown (Motown Down) (Volume 1)

Because of him college was hell. I gave him a year, he gave me anxiety. I thought we were friends, he thought I was a punchline. Because of him I was undateable. Because of him I needed therapy. While he was in prison, I thought Id outgrown him. But hes out now and hes... different. Hes obsessed with me. Because of her college was memorable. She gave me a year, I gave her a lifetime of self doubt. She wanted to be friends, I wanted to be more. Because I couldnt have her, no one else did either. In one night, I went from a football god to a convict. She would always belong to me. Ten years in prison changes a man, it makes him... more. Im obsessed with her.
