

Back for You (A Forsythia Falls Story Book 2)

Series: A Forsythia Falls Story ~ Book 2
Previous Book: Bound and Determined
Print Length: Novella - 124 pages
He came back for her. Now if only he could convince her that's a good thing. If there's one thing bar owner Thea Maguire knows for sure, it's that you can't trust men to stick around. They're only good for one thing: fun and games. Anything more than that? No way. Case in point, Cain Marshall. She'd trustingly given him her heart and he'd left her high and dry to follow his dreams. So she's more than a little skeptical when he shows up claiming he's come back for her. Cain has never forgotten Thea, nor stopped loving her. Nor has he forgiven himself for leaving her behind. But the Siren call of adventure and ambition had been a heady combination he couldn't ignore. Especially when the fear of being tied down was riding his tail. But if the past ten years have taught him anything, it's that life without Thea isn't worth living. Sparks are flying, and the heat is undeniable. Now it's up to Cain to convince Thea they belong together. Warning: This book contains a sexy, smoldering bad boy, excessive margarita drinking, drunk dialing, and oh yeah, plenty of molten-hot graphic sex.
