

A Road Unknown (Amish Roads)

Elizabeth is at a crossroads. Will rumschprunge lead her away? Or bring her home? She's been given the chance to experience life outside of her community, away from the responsibility to care for her eight younger siblings, but Elizabeth Bontrager can't decide which road to take. Goshen has its charms and pressures, but Paradise, Pennsylvania, sounds...well, like paradise. And it's also home to her English friend, Paula. Decision made. Elizabeth is Paradise bound. But will the small town live up to its name? When Elizabeth meets Paula's friend, Bruce, she quickly learns he wants more than a friendship. And the same might be true of Saul Miller, her new boss at the country store that sells Amish products to the English community. As the two compete for her attention, Elizabeth is surprised to realize she misses her family and becomes even more uncertain about where she belongs. She has a choice to make: return home or embrace this new life and possibly a new love?
