

## All the Right Things (Love in LA, Book 2)

In Love in All the Wrong Places, Annie tried her hand at online dating, but it brought her nothing but a broken heart. This girl cant seem to catch a break in the dating world! While wondering what went wrong once again, she met an attractive, funny and sincere hip hop dancer in the parking lot at work. But just as Casey expressed interest in taking her out, he had to leave town to tour the country with an up and coming pop star. Annie was willing to wait for him to return, but then she received an apologetic text from Nate, the last guy she met on Craigslist. Join Annie on her adventures in All the Right Things as she makes some of the biggest decisions of her life. While she thoroughly enjoyed the time she spent with Nate and is still attracted to him, he screwed her and then ditched her at the bar without a word. Will Annie accept Nates explanation and heartfelt apology and give him a second chance, or will she kick him to the curb? Or will Caseys charm and determination to show her how a real man should treat a lady win her over? Or will both of these guys be left in the dust when someone from her past reappears?
