

Bonded (Prequel to The Mating) (Law of the Lycans Book 1)

Reno is a tough Enforcer for Lycan Link who finds himself drawn to Brandi but duty rules his life. Brandi, just on the edge of starting her career as a Disaster Control officer, falls for Reno at first sight, but are they really meant to be? Is it love or lust and does it really even matter? Enforcers and DCs don't get along...unless fate forces them to. Bonded precedes The Mating.
