

The Promise of Provence (Love in Provence)

On the evening of her twenty-second wedding anniversary, Katherine Price can't wait to celebrate. But instead of receiving an anniversary card from her husband, she finds a note asking for a divorce. Fifty-five and suddenly alone, Katherine begins the daunting task of starting over. She has her friends, her aging mother, and her career to occupy her, but the future seems to hold little promise until, after a winter of heartbreak, Katherine is persuaded to try a home exchange holiday in the South of France. In Provence, bright fields of flowers bloom below medieval hilltop villages with winding cobblestone streets. Charmed by the picturesque countryside, the breathtaking Cote d'Azur, and the enchantment-filled boulevards of Paris, Katherine feels life opening up once again. Lavender perfumes the air, and chance encounters hint at romance and passion. But memories of heartbreak and betrayal linger and her former life waits for her back home. Can she find the courage to begin again? Revised edition: This edition of *The Promise of Provence* includes editorial revisions.
