

Cover of Darkness (Witness Security Book 3)

Its US Marshal Ben Markhams job to keep witnesses alive, but providing protection to BDSM social club owners who stumble onto double murders isnt at the top of his bucket list. Still, protecting Mitzi Pomeroy until trial has its perks. Like close contact with gorgeous, smart-as-a-whip Assistant DA Addison Decker. Too bad Addie doesnt come with a warning label. Whod have thought an ADA could have so many secrets? Or that those secrets will find Ben and his partner Nick Pierce scrambling to keep them all alive? Review Suspense at its finest. This book has it all, romance and mystery. A real thriller. Ms. Hill has done it again. ~ Romance/mystery author, Roseanne Dowell Ive been waiting and waiting for this one. Jamie Hills Witness Security books are on the top of my reading list. Im so excited that Cover of Darkness is here before Christmas - its also on my gift list for romantic suspense reading friends and family.
