

Daisies, Deadly Force, and Disastrous Divorce Disputes (Deadly Landscaping Series)

Cassie Whittington and her lover, Sam Barlow, stumble on the body of Cassie's ex-brother-in-law. They also find Cassie's ex-husband, Charlie, standing in the room, the murder weapon in his hand. The police investigation forces Cassie and her entire extended family to re-examine the events of the past. In doing so, they consider possibilities for the new life -- a life that may be cut short in a final confrontation that involves Cassie, Charlie, and Sam in a terrible recreation of a past tragedy. Can Sam and Cassie emerge unscathed or will it be the end of their relationship...and their lives?(Pages 258) Spicy
