

The Deadly Restaurant Affair (Cozy Mystery) (Daisy McDare Cozy Creek Mystery Book 6)

A fun, page-turning cozy mystery with cute characters that I couldn't put down. Daisy McDare's latest decorating job turns into a crime scene when Adam Dunning, the arrogant owner of a French restaurant, is found stabbed in the back. As Daisy starts digging deeper, she realizes Adam had a knack for making enemies. Between Adam's bitter wife, needy mistress, unhappy staff, and scheming daughter, Daisy has her hands full in trying to crack the case. Daisy arms herself with cupcakes, one-liners, and plenty of spunk to find the killer before they strike again.
