

The Leader In You: How To Win Friends Influence People And Succeed In A Completely Changed World

For eighty years, Dale Carnegie & Associates, Inc., has been training people at all levels to get the most out of what they put into their careers. Now, drawing on insights from some of this century's most important voices, two of its top executives bring the Dale Carnegie & Associates, Inc., time-tested human relations principles to a new level of relevance in today's unpredictable business environment. The ability to communicate and motivate people will determine who wins and who loses in the next decade. The Leader In You builds on the fundamentals of human relationships to help you develop your own innate leadership skills and discover how to:

- * Achieve goals and increase self-confidence
- * Gain the respect you deserve
- * Build trusting relationships
- * Control your worries and energize your life
- * Become a team player

Three generations of students and business people have benefited from Carnegie's timeless, essential wisdom. Now, you can apply these basic techniques and lessons in your own life -- and find the leader in you to succeed in today's fast-changing world.
