

Dancing With Danger: Book 8: Dancing Moon Ranch Series

BOOK 8: DANCING MOON RANCH SERIES: The last person Josh Hansen wants to be around is Nurse Ratched, the woman who gave him an ice water bed bath to cool him down when he was under her care after a collision with a bull two years before. And the last person Genie wants to become entangled with romantically or otherwise is a rodeo clown. Odds are hell get busted up again. Shes also legal guardian of her 4-year-old sister, and a man who dances around with bulls for a living will never be a candidate for step-father. The problem is, all logic seems to fail whenever theyre around each other. AUTHORS NOTE: The books in my Dancing Moon Ranch series are intended to be read in sequence as each book moves forward in time, the series spanning two generations. I invite you to check out my Dancing Moon Ranch Family Album. In it my 13-book Dancing Moon Ranch Series is illustrated with over 600 full-color photographs depicting the ranch and all the characters in the series. Youll also see what it was like during the missing years in the series, when the children of the characters in Books 1-3 (the heroes and heroines of later books in the series) were growing up on the ranch.
