

Dangerous Love: Book Four of the Fitzgerald Family

She has her emotions on a tight leash. Born to a Las Vegas showgirl, fashion designer Faith Fitzgeralds childhood was not easy, until her father found her and whisked her off to L.A. to join his wealthy family. The rejection by some of her family members hurt, but Faith has moved on. Or so she thinks. She works hard and never lets her guard down, until the day she discovers that someone stole and sold her designs to her competitor and former mentor. To catch the thief and salvage her collection for Fall Fashion Week, Faith turns to her ex-lover, a man who works under the radar and gets results fast. The problem is she has not seen him since she dumped him so unceremoniously. Hes laid-back and spontaneous. When former-FBI-agent-turned-security-consultant Kenneth Ken Lambert receives a call from Faith asking for his services, he sees a chance to payback the gorgeous designer for the way she used him then walked out on him. But then he learns that she is being victimized by a man whose idea of love is both dangerous and toxic, Ken pushes aside his personal agenda and agrees to help her. As their investigation progresses, Ken discovers that Faiths calm exterior hides a woman of character and strength, a woman on the verge of falling apart. Can he help her find the answers she seeks or will she accept his offer instead acceptance, unconditional love and support?
