

## Dare to Kiss (The Maxwell Series Book 1)

...an emotional roller coaster...loved every moment. ~Angelle (NetGalley Reviewer)...a heart-melting, swoon-worthy, emotional read that leaves you aching for the next book by this author. ~Cara Nicole (NetGalley Reviewer)FIRST SHE PULLS A GUN ON HIM. THEN SHE SLUGS HIM. ITS THE BEGINNING OF A BEAUTIFUL FRIENDSHIP...The worst thing that could happen to anyone has happened to 17-year-old Lacey Robinson--she found the murdered bodies of her mother and sister. Now she and her dad have moved across the country to start over in a new town, Ashford, Massachusetts, where Lacey has three dreams: to conquer her debilitating PTSD, to play good enough high school baseball to get a scholarship, and to stay alive. Because evidently somebody doesnt like her family.Shes so not the popular girl type--at least not with the popular girls. But she makes male friends easily. Just not with sexy, moody Kade Maxwell, whom she distrusts on sight. And yet...shes drawn to him both as a person--a mysterious, yet kind person--and in a blind visceral way shes never known before, not with her last boy friend, not with the array of handsome teammates flocking around her, not even with hot quarterback Tyler, whose friendship with her has the cheerleaders sharpening their claws.Once Kade gets over the gun and the shiner (just a misunderstanding!), he doesnt want to let Lacey out of his sight. Because Kade has his own dark past. He and Lacey sense in each other that theyve both experienced something too horrible to mention--and yet, each guards his or her own private tragedy like a state secret. Until their carefully constructed walls start to crumble. And then the mutual sparks ignite, creating a bonfire of love, hope, and passion.But love may not be enough--Lacey has enemies not only in her old hometown, but also in Ashford. She cant forget that the last girl

who played varsity baseball in her new school was killed, supposedly in an accident. And that the same team members who harassed and bullied her are now mounting an attack against the new pitcher in town--none other than Lacey herself. She and Kade--and his triplet brothers--must fight their way not only through past tragedy and PTSD, but also through these very real current threats before they can forge a future together. Happily for readers, just when you think things are going to quiet down, the story takes an unexpected and suspenseful turn. Author Alexander does a masterful job of juggling both the fiery love story and the tense suspense in this powerful new adult romance, intended for audiences 17 and older. Because Lacey and Kades passion is limited neither to hot kisses nor steamy makeout sessions. Lacey wants Kade like a woman! And hes just the man to take her to heights of rapture shes only imagined. Even those who prefer romance to baseball will have to admit Alexander has hit a home run on her first swing. A final note: Each Maxwell brother is hotter than the last! A story of love and tragedy! Grab your copy today! A 5 star review. This book was perfect!! I absolutely loved the storyline. Theres a bunch of heart swelling and blood pumping moments. This is definitely one of those books where you get the this is an awesome book tingles while reading it. I will say that I would recommend this book to anyone. Its extremely awesome. ~Tattered Book Blog Catching Jordan meets Fallen Crest High... in the best possible way. ~Sammichelle (NetGalley Reviewer) The Maxwell boys are amazing. There are four of them. All are hot as hell and incredibly protective of Lacey, and I love that group family feel. ~Gemma Reads Too Much For It To Me Normal Blog.
