

## Yield (Pierced Hearts Book 5)

This book is a dark erotic story and is written to be disturbing. It contains graphic sex and violence. It can be read as a standalone read. Wren, the rich girl with a tainted past, is on a crusade to track down her father's murderer only to find not one, but two, bad men. Moghul is a sadist and businessman, with a finger in every kinky enterprise he can get his hands on and a jaded view on life. When his eye turns to Wren, he realizes how dull life has been. He hasn't tried everything after all. When they can't say no, things might be more...interesting. Glass is the dominating ex-SAS soldier. Each man is determined to keep Wren for himself using methods that may be illegal, immoral, or likely to make somebody feel the pain for a long, long time. If you lie down with bad men, be prepared to get up on your knees. The ending will be the reader's decision. Give Wren to the dark or to the light, then read the other ending if you wish to.

Warning: BDSM themes, capture fantasy story.
