

Dark Hunger on a Killing Moon (Desires of the Otherworld Book 2)

Temptation is always made worse when you long for the forbidden...Vampire King Bridon Walkyr has waited centuries for the return of his Chosen. Yet instead of the docile and fragile human he anticipates, his beloved has been reborn of the very race that wishes to destroy his kind. Unwilling to lose her a second time, he travels to the mortal realm under a guise to intercept his mate and challenge fate. Lycae Princess Willow Miloradovic lives under the strain of a preordained destiny she has yet to commit. From the time she could conceive of right and wrong, she has been told she will bring about the downfall of her pack. For her Fated is not only her enemy, he is the very ruler of the blood drinkers they detest. Intentionally guided into the trap Bridon has placed, she has special instructions from her alpha -- kill the vampire king and sever their connection. When Bridon and Willow clash, sparks will fly, passions will ignite, and enemies will become lovers. Unfortunately, with a killing moon on the rise, their union can signify only one thing: death.
