

## Dark Riders Motorcycle Club

Which will she choose? Love, or safety? Lily Clarkfeld never wanted this life. She just wants to be a regular college student. In her dreams Lily is a nurse, has a family, and is safe. That's not much to ask. But when she's forced to return to her childhood home because of her mother's illness, everything changes. Instead of burying her head in books, Lily is torn between two motorcycle clubs. Venom, the ruthless president of Tarantulas MC, is not the kind of man to say please. He gets what he wants, and what he wants is Lily. Then there is Asher. Lily's first love. Asher Thomas is bigger, stronger, and more damaged than Lily remembers. He never forgot about her and willing to do anything to get her back. Who will win? Will Lily's story end in happiness? Or will everything come down around her in flames? This is the bestselling Dark Riders series, following the story of Lily and Asher. The series contains strong sexual themes, and is not intended for readers under the age of 18. If you read the Dark Riders serial parts 1-3, you have read this already.
