

Infernal Ink Magazine (vol. 2 issue 3 for October 2013)

Adults Only! Infernal Ink Magazine is a different sort of a literary magazine. We are focused on publishing extremely dark fiction and poetry, of all genres, but we favor pieces with erotic, sexual, or humorous aspects. This magazine contains adult content and themes and is not meant for readers under eighteen years of age. In this issue we focus on fiction and interviews. We have our main interview with writer, publisher, and soon to be television star Corvis Nocturnum, and a very special The DaveLs Music where Dave Lipscomb sits down for an interview with JR Torina of Slaughterhouse Records. He also talks extensively about the bands and music Mr. Torinas label has recently released, in the way that only the DaveL can. Also in this issue fiction and poetry from Lindsey Beth Goddard, Rob Bliss, Joseph DeRepentigny, Marten Hoyle, Chris Daruns, Robert Leuthold, David Lingbloom, James L. Jones, W.P. Johnson, Michael Thomas-Knight, Kelly Haas Shackelford, Glen Damien Campbell, and Ron J. Cruz.
