

Dead on the Delta (Annabelle Lee Book 1)

Once upon a time, fairies were the stuff of bedtime stories and sweet dreams. Then came the mutations, and the dre-ams became nightmares. Mosquito-size fairies now indulge their taste for human blood and for most humans, a fairy bite means insanity or death. Luckily, Annabelle Lee isn't most humans. The hard-drinking, smart-mouthed, bicycle-riding redhead is immune to fairy venom, and able to do the dirty work most humans can't. Including helping law enforcement and Cane Cooper, the bayous sexiest detective collect evidence when a body is discovered outside the fairy-proof barricades of her Louisiana town. But Annabelle isn't equipped to deal with the murder of a six-year-old girl or a former lover-turned-FBI snob taking an interest in the case. Suddenly her already bumpy relationship with Cane turns even rockier, and even the most trust-worthy friends become suspects. Annabelle's life is imploding: between relationship drama, a heartbreaking murder investigation, Breeze-crazed drug runners, and a few too many rum and Cokes, Annabelle is a woman on the run from her past, toward her future, and into the arms of a darkness waiting just for her... .
