

Keeping Secrets (New Orleans Connection Series Book 4)

How do you surprise a psychic? When Max Lamoreaux proposed to the love of his life, she happily said yes. But months later, every time he broaches the subject of setting the date, Theresa gets cold feet and won't commit. Taking matters into his own hands, and with the help of his family, Max hatches a secret solution. Sometimes being a psychic reveals things she'd rather not know. Theresa Crawford loves Max, but her visions show deadly consequences if she weds him. How can she avoid marrying him without losing him forever? When two strong-willed lovers start keeping secrets, it sets them and everyone they love on a collision course with dangerous consequences.
