

Taming Him: Elloras Cave Presents

In this steamy anthology, three strong, sexy women use their feminine wiles and powerful seduction to claim the men who can satisfy their every desire... .

KIMBERLY DEAN *Fever* Miserable at work with a raging fever, Delia Jenkins is sent home by her handsome, masterful boss. She tries to sleep it off, but hours later she is gently awakened by the arousing caress of her powerful knight in shining armor. Delia is still burning up -- with desire for his passionate, stimulating touch to make her feel better...in more ways than one.

SUMMER DEVON *Perfection* After volunteering for a lab experiment gone awry, Bryan Hartigan is irresistible to women. Thanks to a come and take me chemical that emanates from his pores, every woman wants his body -- and a group of thugs want the million-dollar essence it exudes. While on the run from relentless stalkers, Bryan meets Allie, a sweet, sensual waitress whose luscious curves he cant resist -- and who may be the antidote to his alluring curse.

MICHELLE M. PILLOW *Taming Him* Driving alone one night, Maggie Stewart sees an alien spaceship and cant believe her eyes. When a gorgeous, hard-bodied stud named Vladei emerges and kidnaps Maggie, intoxicating her with his euphoric aura and chiseled features, she is utterly confused and tempted at the same time. Once shes aboard the ship, Vladei treats her like a queen, showering her with enticing pleasures and unrequited passion -- until she will do anything to be his.
