

Death Sword

The only thing more dangerous than an angel of death is one obsessed with vengeance. Karla Black has always known shes different from other people. She learns just how different after shes fatally stabbed and brought back to life as a half-human angel of death. With newfound power comes a newfound boss. Samael despises her. He considers Karla impure and resents her relationship with her partner Xariel. . .who also happens to be Samaels ex-lover. When he takes that hatred to a higher level, Karla vows vengeance a task easier said than done. With the loss of their angelic powers, Karla and Xariel face a dilemma how will they defeat an unstoppable Samael, whose poisoned rapier can kill human and angel alike? If Karla doesnt awaken to her true identity, both heaven and earth are in danger of annihilation. 42,632
