

## Flirting with Deception

STAND ALONE NOVEL in the Ocean Crest world. Gia's body was soft and warm, curvy in all the right places, and padded to perfection. I loved that feminine detail, the one that spoke of her sensuality and had my body pushed to the limit with a need to devour her. She wrapped her legs up around me. Everything felt right. This was where I belonged. We moved in sync, a rhythmic dance taking us to the edge. Strong and stubborn, Gia struck out on her own. Little did she know that Ocean Crest was forbidden territory or that her harmless deception would create such chaos. Devoted to New Jersey and the Ocean Crest project, Hunter thought reuniting with his high school sweetheart made everything fall into place. Until he started working with Gia. Boundaries are tested as the story continues in Ocean Crest, New Jersey.
