

Deceptive (On The Run)

A picture may be worth a thousand words, but a missing Monet painting is worth millions in cold hard cash. Freelancer Zoe Hunter specializes in living in the moment and keeping her options open so she holds back when her ex reappears, wanting to reboot their relationship. Zoe's not sure she can handle a second crash and burn in the love department, but that issue takes a backseat when one of her clients dies. Zoe discovers the death is linked to a stolen Monet painting, and she's being set up to take the fall for both the murder and the black-market art sale. To clear her name, Zoe plunges into the shadowy world of art theft, teaming up with a former goth girl hacker, a persistent reporter, and a retired FBI agent turned cruise ship enthusiast. With the help of her ragtag crew and her sexy ex, Zoe's hunt takes her from Paris to sun-drenched villas on the Mediterranean coast. As she finds her way through a maze of lies and deceit, Zoe discovers that staying alive is a fine art. SERIES NOTES: On the Run Series Book #1: Elusive Book #2: Secretive Book #3: Deceptive
