

Confessions in the Dark: New Adult Paranormal Romance (Volume 3)

After narrowly escaping from the Russians king of vampires compound, Ophelia is on the run and fighting for her life. Her first goal is to get some help; too bad she's stuck on an island owned by Vasily. Her second and third goals consist of going back and freeing her people, and killing Vasily not necessarily in that order. When Celtic warrior and vamp badass, Irish, senses something is amiss, he goes in search of the woman who has been on his mind since their first meeting. While his old friends adjust to their new lives, Irish heads off to the dangerous North Sentinel Island, in search of his woman. What he finds there will change everything in the battle against Vasily and his men.
