

## Snooke [Demon Warriors 2] (Siren Publishing Everlasting Classic)

[Siren Everlasting Classic ManLove: Erotic Alternative Fantasy Romance, M/M, demons] Kane has finally found his mate. He is everything he could ever hope for. But when Snooke is repeatedly seen with bruises, Kane sees red. Snooke worships Kane. So when he fights to stay away from the warrior, it only makes Kane more determined to find him. Snooke has things in his past that he isn't proud of and fights desperately to keep Kane out of his screwed-up life. Meanwhile, the crystal is still missing, and someone is playing tricks on the warriors' minds. Can they find the crystal before the one who stole it learns its secrets, and can Kane save Snooke from a life he was never meant to lead? Note: Each book in Lynn Hagen's Demon Warriors collection features a different romantic couple. Each title stands alone and can be read in any order. However, we recommend reading the series in sequential order. \*\* A Siren Erotic Romance
