In this regard, she turns to Michael an old friend that is hesitant to bring her into a life that she has never known before. He tells her that he knows of a man that can help her become the leader that her people need. His name is Finn McDonald of the highlander legacy. Hes a warrior that knows how to fight, until there is only one left standing. Hes hesitant to lend a hand and its only after he learns of her uncles duplicitous ways that he begins to think that maybe there is a way that this can benefit him. Her training is fierce and intensifies every day, unbeknownst that her Uncle Phillip is getting closer to bringing to bear the full weight of his wrath.
