

Driven: Southern Alphas - Book One

One man on a mission One hard-working woman One bet thatll make sparks fly Mason Falco clawed his way to the top through hard work, killer instincts, and sheer determination. But time is money, and when the owner of a farm refuses to sell the land crucial to making his latest development a success, hell do what it takes to convince the sultry, stubborn woman to sign on the dotted line. Kayla Phillips is holding on by a thread, on the verge of losing the farm she inherited from her grandfather. Its only a matter of time before shes forced into foreclosure, but theres no way shes selling to Falco. His good looks and sex appeal might work on some womenokay, it works on her toobut shes not about to sell to a man intent on bulldozing her familys legacy. A war of words turns into a wagerand Kaylas only chance to save the farm. All she has to do is prove to the billionaire that he cant handle two weeks of living the life of a farmer. She never expected the burning desire she feels whenever Masons around. But are his feelings for her genuine, or just a ploy to get what he wants? With her heart and the family business on the line, will she risk it all for love?
