

## My Name Is Desire: The Bad Baker Boys: Marks Story (Book 3) Second Edition

He was not the marrying kind... When a precocious eleven year old announced that Mark Baker was the perfect husband for her mom, the ladies man was not amused. He had no idea how to be a husband and father, and no inclination to find out. But Desi was the woman he wanted in his bed, and he was determined to have her. She did not indulge in casual sex... Desiree Anderson was mortified by her daughters blatant attempts at matchmaking and her choice for the perfect husband couldnt have been worse. Mark was a player if ever shed met one and not the kind of man she needed to get tangled up with, even if he was everything she wanted.
