

Love & Deception (Agents in Love) (Volume 1)

What if everything you believed in was a lie? In hiding for six years, Carlie Hollis is tired of running. All she wants is to stay in Sayle, Washington and make a success of her struggling delicatessen. Because of her past, she's suspicious of anyone who takes an interest in her. Nick Kendall works as a spy in a top-secret government operation, protecting innocent people from danger. Sent to Sayle on a mission to infiltrate a suspected terrorist organization, Nick finds himself attracted to Carlie, an alleged key player of the group. Despite her misgivings, Carlie develops feelings for the handsome stranger, believing he is there to help her. But when Nick finds evidence of her guilt, he's given orders to do the unthinkable--eliminate the target, one he's fallen hopelessly in love with. Will he follow orders...or become hunted himself? Warning: Violence, language, sizzling love scenes
