

Sin: A Devils Den Novel

With deft plotting, scorching love scenes, and multilayered characters [who] will keep readers turning pages (Publishers Weekly), Sin proves that passion goes beyond smoldering desire when hearts dance to their own special beat. Every woman at the Devils Den strip club has a story to tell, and Macey Taylor is no exception. Smart and self-reliant, she's got a chip on her shoulder, a broken heart, and no patience for a sexy new manager with an Ivy League pedigree and a strict set of rules. Macey prefers to break rules, something she lets Joshua Camden know from the start even as he ignites a fire in her that goes beyond the hottest club in town. Joshua is working the Devils Den for all its worth, learning everything he can about the adult-entertainment game before investing in a place of his own. Macey is a surprise: a woman as strong-willed as she is gorgeous. Joshua wants to get inside her world, to see through her eyes. But he soon discovers that seduction is a two-way street and expecting redemption without risking his heart may be the greatest sin of all. Praise for Sin [Violetta] Rand delivers pure-octane, addictive angst. Publishers Weekly Macey and Joshua [have] the sort of vulnerability that endears the reader to them. Expect lots of slammed doors, sexy innuendo, and steamy love scenes. Heroes and Heartbreakers A fast-paced read with lots of steaminess ... Romance lovers won't want to miss Sin by Violetta Rand. Pretty Sassy Cool I love this series and its characters. I'm always excited when I see a new one. A Crazy Vermonters Book Reviews I really enjoyed both Joshua and Macey and loved the dual points of view. I feel that is such a great way to get a well-rounded story. The Jeep Diva Sin is the final installment of the Devils Den series and it definitely goes out with a bang... . There is nothing better than watching two characters with a believable and strong connection grow closer

throughout a story. This entire series is truly worth reading. Books Movies Fandoms Praise for Seduction Rands redemption of Craig is believable and makes him incredibly sexy, especially since his sole purpose is to please Marisela in the bedroom by worshipping her body. The two cant keep their hands off of each other if they are in close proximity; in fact, sometimes they cant even make it to the bedroom! Heroes and Heartbreakers I devoured Seduction in one sitting. Craig and Marisela are H-O-T, hot! Im completely hooked on this series and am looking forward to Sin. USA Today bestselling author Jamie K. Schmidt Praise for Surrender Surrender is a new adult romance for those who like their romance on the down-and-dirty side, with their heroines still surprisingly innocent and their heroes as knights in slightly tarnished armor. Library Journal Edgy and kick-ass, Surrender is a sizzling romance that youll be hard pressed to put down! Stacey Kennedy, USA Today bestselling author of the Club Sin series Includes a special message from the editor, as well as an excerpt from another Loveswept title.
