

Devils Honor: The Devils Keepers

In the start of a sizzling new series, bestselling author Megan Crane takes readers deep into bayou country, where the sultry swamp has nothing on the heat of Louisianas fiercest bikers: the Devils Keepers. Merritt Broussard grew up knowing she had two choices if she stayed in Lagrange: run with the outlaws or get left in their dust. So she got the hell out, leaving behind a bad-boy biker and scorching memories of their summer fling. Now Merritts back, with trouble on her tail, and the sergeant-at-arms of the Devils Keepers is the one person she can still trust. But Greeley isnt the boy she remembers. Hes harder now, more dangerous and even more alluring. Joseph Greeley Shaw loves two things: his bike and his club. At eighteen, he escaped a rough life, found the Devils Keepers on the wrong side of a bad weekend, and never looked back. Greeley swore to live and die by their code: Devils Keepers first, Devils Keepers forever. No one comes between him and his brother except for the tantalizing woman who touched his soul. Greeleys the kind of man who honors his commitments ... and Merritt is one promise hes determined to keep. Praise for Megan Cranes Make You Burn If you are looking for a hot and dirty read in the motorcycle club genre, then Megan Crane is a new voice to follow. Her characters are gritty, unapologetic, and led by their animal instincts, whether in war or love. Heroes and Heartbreakers Crane piles on the passion and danger... . This tough and dirty world is fascinating and satisfying in its own way. Publishers Weekly Her style was so sultry and thick that I could almost feel the sweat of the bayou and the pulse of Bourbon Street as I read. I sunk deep into the story and enjoyed every minute of it. Guilty Pleasures Book Reviews Includes a special message from the editor, as well as an excerpt from another Loveswept title.
