

## Devils Own: The Devils Keepers

From the bestselling author of *Devils Honor* and *Devils Mark*, this seductive novel of the Louisiana bayou kicks into high gear as a dangerously sexy biker takes a no-nonsense teacher on the ultimate thrill ride. Lara Ashburn hates bikers. She watched a motorcycle club destroy her hometown, bringing her brother down with it. That's a life she put far in her rearview. So the last person she wants to see walking into her classroom is the top enforcer of the Devils Keepers. Big, mean, and gorgeous, all tattoos and leather, Chaser is everything Lara should avoid. Yet the insane chemistry sparking between them tempts her to break all the rules. Ryan Chaser Frey has his hands full with a teen daughter in need of tough love, and he doesn't have time for prissy teachers who want to tell him how to raise his kid. But Chaser never could resist a chick who gives as good as she gets. Lara is sexy as hell, and she's not afraid of him. Plus, her links to a California club could provide the Devils with leverage against their enemies. But that would mean mixing business with pleasure and risking the one woman Chaser can't afford to lose.

Praise for *Megan Crane's Make You Burn*  
If you are looking for a hot and dirty read in the motorcycle club genre, then Megan Crane is a new voice to follow. Her characters are gritty, unapologetic, and led by their animal instincts, whether in war or love. Heroes and Heartbreakers Crane piles on the passion and danger... . This tough and dirty world is fascinating and satisfying in its own way. Publishers Weekly Her style was so sultry and thick that I could almost feel the sweat of the bayou and the pulse of Bourbon Street as I read. I sunk deep into the story and enjoyed every minute of it. Guilty Pleasures Book Reviews Includes a special message from the editor, as well as an excerpt from another Loveswept title.
