

Death Upon Me

Kacey Rogers is a troubled teen forced to live with her abusive and alcoholic uncle. When her best friend Jenny throws her a birthday party, Kacey meets Bryan Mathews, a known ladies man. After succumbing to his advances, she ends up pregnant at 15. As she struggles to find her place in life, and as a new mother, Kacey desperately longs to be loved. After Bryan decides he doesn't want to be with Kacey, she meets Steffan, and thinks her prayers have been finally answered. Steffan seems to give Kacey everything she has been dreaming of - love, romance, and a family life. When jealousy strikes and both men are brought head to head, and Kacey becomes caught between two hearts. One man is destined to love her, the other is determined to never let her go. A Romantic Suspense that will keep you on the edge of your seat from beginning to end.
